Cincinnati Park Board,

It is the understanding of the Mt. Auburn Community Council that you *may* consider the sale of park property in Mt. Auburn (specifically an area situated north of Hollister street encompassing the Hollister recreation area with tennis courts).

We are writing in advance to request that Mt. Auburn Community Council be fully engaged in any decision-making process regarding the sale and future use of this land.

Sincerely,

A handwritten signature in black ink that reads 'Stephen Gibbs'. The signature is written in a cursive style with a large, sweeping initial 'S'.

Stephen Gibbs
President,
Mt. Auburn Community Council
